

ACKNOWLEDGEMENTS

This thesis would never have been completed without the support, assistance, suggestions, criticism, and help from many people.

I would like to express my deepest gratitude to Dr. Kampeeraphab Intanoo, for guiding me through my M.A. journey at Buriram Rajabhat University (BRU). He was always there to offer help and advice and gently move me in the right direction. His kindness patience and understanding walked me through many difficult times. With his inspiration, encouragement, advice, and trust, I could accomplish my master studies, including the writing up of this thesis. He is an excellent supervisor who inspired me intellectually.

I would like to express my sincere gratitude and thanks to Dr. Saowarot Ruangpaison (Co-advisor) for her kindness, meaningful suggestions, valuable guidance, criticism, and constructive comments throughout my thesis study.

I would like to thank the chairperson Dr. Prommin Krongkaew for his fantastic help and support.

I would like to thank Assistant Professor Dr. Nawamin Prachanant for his insight, valuable comments and practical suggestion on my paper.

I am also grateful to Dr. Krapan Sri-ngaarn the Dean of Faculty of Education at Buriram Rajabhat University, Dr. Surachai Piyanukool, the English lecturer, Faculty of Humanities and Social Sciences at Buriram Rajabhat University, and Asst. Prof. Suthamas Kotcharat, the English lecturer at Faculty of Humanities and Social Sciences, Buriram Rajabhat University who are the experts for the research

instruments. I would like to thank Assistant Professor Dr. Narumon Somkuna , Dean of Graduate School at Buriram Rajabhat University and Dr. Surachai Piyanukool, the English lecturer, Faculty of Humanities and Social Sciences at Buriram Rajabhat University for instructing and guiding me in the right direction.

I am also grateful to BRU and The Office of Graduate School, for a warm and supportive community, they enhanced my understanding of being a foreign language learner.

I would also like to thank my friends in the classroom who supported and encouraged me in the good times and the hard times. Each has a special place in my deep heart.

Without those who willingly participated, this study could not have been completed. I highly appreciate the cooperation of them in responding to the questionnaires.

Finally, it is impossible not to express deepest gratitude to my wonderful family who supported me throughout my graduate work and research.
