Dear Mr. President,

Thank you very much for your interest to cooperate with our faculty.

Steinfurt, 26.04.2007

All my colleagues have the strong wish to collaborate with the esteemed
Rajabhat University Buriram.

This is the reason why I enclose the Memorandum of Understanding between our universities.

Me personally have the sincerest will to do this and I will do my very best for a long-termed
relation between our universities.

With my sincerest regards,
