

This Memorandum of Understanding will be applicable for a period of three years taking effect upon signature by both institutions. It shall be automatically renewed for an additional three years unless either party expresses the desire to terminate the agreement. Either university may suspend or terminate the agreement on a one-year advance written notice. Any supplemental agreement entered into pursuant to this agreement shall automatically terminate with the termination of this agreement; provided, however, that any student then enrolled in a program created by such supplemental agreement shall be permitted to complete that program under the terms and conditions of that supplemental agreement.

UNT is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award bachelor, master, and doctoral degrees. The Rajabhat Universities that are signatory to this agreement are not accredited by the Commission on Colleges and the accreditation of UNT does not extend to or include The Rajabhat Universities or their students. Although UNT accepts certain Rajabhat Universities course work in transfer, other colleges and universities may not accept this work in transfer, even if it appears on the transcript from UNT. The Rajabhat Universities are recognized by the Government of Thailand and this recognition does not extend to UNT.

This agreement may be set forth in both English and Thai. The legal jurisdiction under which this agreement shall be interpreted and enforced shall be the State of Texas, U.S.A., excluding its conflict of laws principles. The parties agree that the state and federal courts sitting in Texas will have exclusive jurisdiction over any claim arising out of this agreement and each party consents to the exclusive jurisdiction of such courts.
